CONNECTING MICHIGAN REAL ESTATE PROFESSIONALS WITH QUALITY CONTINUING EDUCATION TO DRIVE INDUSTRY SUCCESS

As of **November 1, 2018**, real estate continuing education credits are only eligible for license renewal if certified by CE Marketplace, a division of Michigan Realtors® and reported to CE Marketplace by the school hosting the class.

Licensees are required to complete **18 hours** of continuing education within their three-year licensing cycle. The upcoming licensing cycle runs from **November 1, 2018**, to **October 31, 2021**.

Of the 18 hours, a minimum of two hours of real estate **Legal CE** is required in each year of a licensing cycle, NOT calendar year. Legal CE must involve, laws, rules and court cases regarding real estate and must be certified as legal by CE Marketplace.

The additional 12 hours of CE required for renewal can be **Elective or additional Legal courses** and must be CE Marketplace certified.

To search for CE Marketplace certified continuing education courses, use the **Calendar** option on cemarketplace.net. You can filter searches based on instructor, topic, credit type and more to locate the perfect class for you.
