

Adding New Users to School Accounts

New to CE Marketplace is the ability to add additional users to manage the School account. Once a new user has been added, the individual will be listed on the School's User Roster. School users may submit courses, schedule classes, or record attendance on behalf of the School.

To add users to your School, click on the School Management link from your School Overview page:

School Management

Registering a company or organization as a “School” in CE Marketplace is the first step in the process to submit a course and host class sessions. All schools must be registered with CE Marketplace prior to adding instructors, submitting courses and scheduling classes. New Schools will be submitted for review and approval by CE Marketplace, a division of Michigan Realtors®. The status of Schools in which your user account are associated are listed below. Please contact CE Marketplace at 844-642-6633 with any questions or changes

The user will then receive an email notification from the School. If previously registered with CE Marketplace, the user will sign in with their existing credentials. If the user does not have an existing account, one will need to be created. Once your users have been added to the School’s user roster, they will have access to the administrative tools.
